

Processing Grid

A box that is marked with an “x” indicates a strong relationship between that processing deficit and academic weakness based on the research. However, all relationships should be considered when completing the SLD Supplement. Please refer to the SLD Supplement References.

	Visual	Auditory	Memory	Language Use	Mental Control	Processing Speed	Phon. Processing	Problem Solving/ Judgment	Visual Motor Integration
Basic Reading Skills		x	x	x		x	x		
Reading Fluency			x		x	x	x		
Reading Comp.			x	x	x	x	x	x
