## Board of Education Cluster Assignments – 2016-2017

Howard County public schools are divided into school clusters, which are assigned to individual Board members to facilitate school visitations, attendance at special events, and serve as points of contact for each school community. In recognition of the many responsibilities and demands on the Chairman's time, the Board Chairman has not been assigned a school cluster.

### A – Atholton/Oakland Mills (Bess Altwerger)
