**INDEPENDENT AUDITORS' REPORT ON
SUPPLEMENTARY INFORMATION**

Members of the Board of Education
of Howard County, Maryland
Ellicott City, Maryland

We have audited the financial statements of the governmental activities, the business-type activities, the each major fund, and the aggregate remaining fund information of the Howard County Public Schools (HCPSS) as of and for the year ended June 30, 2017, and have issued our report thereon dated September 29, 2017, which expressed an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise HCPSS's basic financial statements. The accompanying statements of the School Funds of HCPSS are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

HOWARD COUNTY PUBLIC SCHOOL SYSTEM YEAR ENDED JUNE 30, 2017 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES SCHOOL FUNDS

Purpose and Nature of School Activity Funds

School Activity Funds are collected by school staff from parents, students, partners, and others for school related activities and do not include funds provided through the Board of Education's allocation process. The school principal is responsible for ensuring that the funds are administered in accordance with all HCPSS policies and procedures.

Basis of Accounting

The Statement of Changes in Assets and Liabilities is prepared on the cash basis of accounting, which is a recognized comprehensive basis of accounting other than generally accepted accounting principles. The cash basis of accounting recognizes transactions when cash is received or disbursed. Generally accepted accounting principles follow the accrual basis of accounting which recognizes transactions when the underlying activity giving rise to the collection or disbursement occurs. Receipts and disbursements are recorded in the respective funds that relate to the transactions giving rise to the receipts and disbursements, and transfers are recorded when funds are reallocated from one fund to another fund.
