MEMORANDUM

To: Members of the Board of Education

From: Michael J. Martirano, Ed. D.  
Interim Superintendent

Subject: Troy Hill Park Property

The purpose of this memorandum is to inform you that on Wednesday, January 17, 2018 at 10:00 a.m. at the Recreation and Parks building, Anissa Brown Dennis, Chief Operating Officer, along with members of her team, met with Jim Irvin, Director of Public Works, and John Byrd, Director of Recreation and Parks, regarding the Troy Hill Park property as a potential site for H.S. #13.

This property is located in Elkridge, MD and is currently a business and recreational park site. This site has enough acreage to accommodate a school and the required amenities without impacting any of the buildings or park which are currently on the property. Additionally, some of the athletic fields are already on site, therefore, an MOU would need to be developed with the county on the joint use of the fields.

I have met with the County Executive and will be following up with the Board.
