Dear valued member,

Your Learning Ally membership expires on December 31, 2017. Renew today to ensure your students have uninterrupted access to the audiobooks they want and need to succeed!

With unlimited access to human-read audio textbooks, fiction and nonfiction titles, your students can keep up with their peers in the classroom and at home.

Added benefit of membership: The Great Reading Games starts in January 2018 and will get your students excited about reading! In past years, the games helped educators engage students to read at or ABOVE grade level and DOUBLE their time reading! Top schools and students will be awarded with great prizes, including Chromebooks!

Now available: We're continuing to improve Learning Ally Link, our educational reading app. Now, students can see the same interface across devices (computer and mobile) plus sync and export bookmarks and notes.
