HCPSS activities are the first to have approval for all field use. All other activities are permitted according to policy.

HCPSS uses stadiums (turf fields) for practices and games. Once no longer needed, HCRP then controls the permitting of those fields. HCPSS does not permit those fields for community use. Stadium lights are turned on for night games. They are pre-programmed to turn on at dusk and to turn off at 10 PM. HCRP has the ability to remotely turn stadium lights on and off for their scheduled events.
