

HOWARD COUNTY PUBLIC SCHOOLS

Special Education (SEduc6501-7000)

Course #	SEduc6563	Wilson Reading Intervention Program Training				
Description	This training is for special educators and reading specialist that will be using the Wilson Reading Program. This workshop is open to teachers elementary through high school. Participants will learn best practices for using this specialized, research-based reading methodology for students in grades 4-12. Additionally, the participants will learn how to pre-assess, implement, and document the use of this multi-sensory decoding and encoding program. Teachers will review how to integrate the Wilson Reading Program within the student's overall reading instruction.					
SRN	15656301	(use this number to register for this session)
