The public does not have access to your Closed Meetings, Off-line Conversations or numerous memos from staff. THAT IS WHAT IS LACKING IN THE TRANSPARENCY!!!!

The 3 DEI positions will simply have to be funded by cuts/adjustments to the current salaries within that Department. Losing teachers is NOT an option while funding more Central Office positions. You sound ridiculous defending those positions while we discuss losing 113 teachers in direct

ridiculous defending those positions while we discuss losing 113 teachers in direct student support. Get real...

Who is this?

A VERY informed stakeholder.

I'm asking because you're texting my personal phone and unless you know me personally, that's not ok.

You know me.

You should not violate people's personal space in this way.

It's wrong.

Get over yourself.

Stop bullying people.
