

The Department of Special Education and Student Support Programs are collaborating to support all Special Education Paraeducators, Student Assistants, and Alternative Education Paraeducators. Staff will be equipped to support school teams with the processes of data collection and service log completion during virtual and in-person instruction. Paraeducators and Student Assistants are essential in effective data collection and service logging that is critical to providing effective programming for students. We thank you!

Objectives

All Paraeducators and Student Assistants will increase their knowledge and prepare to act in the following areas:

- 1. Professional Responsibility**
- 2. Types of Data**
- 3. Schoolwide Data Collection**
- 4. Service Logs**
- 5. Resources**

Activities

Data Collection and Service Logs

Paraeducators and Student Assistants
August 31, 2020
