As you will recall, the bond requirement can be satisfied by the purchase of insurance or self-insurance provided by a pool established under Article 48A §482B of the Maryland Code. The Maryland Association of Boards of Education Group Insurance Pool is a self-insurance pool established under Article 48A §482B of the Code.

Should you require any further evidence of the Pool's self-insurance program, I will be happy to provide that to you. If not, I will consider that the requirement of state law is satisfied as to our nineteen Members.
