Subject: **Evidence of General Liability Self-Insurance**

To Whom It May Concern:

This letter serves as evidence that the **Howard County** Board of Education is a Member of the Maryland Association of Boards of Education Group Insurance Pool (the "Pool"), which provides general liability self-insurance.

The liability of Boards of Education in Maryland is limited by the sovereign immunity laws of the state; should such immunity be abrogated, however, the Pool would provide general liability coverage of \$1,000,000 per occurrence combined single limit for bodily injury and property damage.

Coverage is effective July 1, 2021 through June 30, 2022.

The Pool is a self-insurance mechanism, authorized under Maryland law, by which Boards of Education pool together to provide casualty self-insurance coverage.

Sincerely,

Milton E. Nagel
