Subject: **Evidence of Board of Education Legal Liability Self-Insurance**

To Whom It May Concern:

This letter serves as evidence that the **Howard County** Board of Education is a Member of the Maryland Association of Boards of Education Group Insurance Pool (the "Pool"), which provides board of education legal liability (errors and omissions) self-insurance.

The liability of Boards of Education in Maryland is limited by the sovereign immunity laws of the state; should such immunity be abrogated, however, the Pool would provide board of education legal liability coverage of \$5,000,000 per claim for Loss and Loss Adjustment Expenses, subject to a \$5,000,000 Annual Aggregate Limit of Liability.

Coverage is effective July 1, 2021 through June 30, 2022.

The Pool is a self-insurance mechanism, authorized under Maryland law, by which Boards of Education pool together to provide casualty self-insurance coverage.

Sincerely,

Milton E. Nagel
