I am out of the office today but just sent the invoice. I will forward it to Cheryl right now so that, Cheryl, you can tell me what else is needed. You can offer the film as many times in the week as you'd like. [Here](#) is my meeting link so we can go over all the details in the morning.

Peta,

I may be out of the office tomorrow. Tracy, the AP who met with us the first time, can meet with you after 9:30.

To pay you, we need an actual invoice. Cheryl can tell you what must be included in that document. We also must pay using a check. So, if you could assist with getting an exception to the pre-payment rule would be appreciated. I'll submit the forms ASAP.

How many times are we able to provide virtual screenings for parents? With such short turn-around time, I'd want to give a couple of viewing time options if possible.

Appreciate you,  
Cindy

Hi Cindy,

I'm so excited to help you plan these events. I will send you a scheduling email for LIKE and RACE. Please fill out the LIKE one as soon as you can. I will also send an invoice. Please let me know if this will not be able to be paid before the event. We require payment prior to events, but since this is short notice, I can try to help you out. Let's get a meeting planned for tomorrow so that I can show you the LIKE resources.

Peta,

Thank you for helping me to preview both Angst and Like. We are excited to be able to leverage these materials with our students.

We would like to move forward with the Premium package for Like and the Race to Be Human package as discussed.

For Like, we need to have access beginning Wednesday morning of this week (March 16th). I need to learn a little bit about how the virtual screening for the community works. Since we're paying for it, I want to be able to have parents take advantage of viewing the documentary, as well.

Thanks!  
Cindy

Hi Cynthia,

I am excited to share some great news! (And simultaneously apologize for yet another proposal) As we continue to add to our CCT and work to make implementing the Creative Coping Toolkit easier to deliver and execute, we found a way to make it more cost effective to use. I am attaching the new proposal and the cost of premium and enterprise packages for you. I am so pleased as this will make it possible for more communities to take advantage of these amazing resources.

Please don't hesitate to call me if you have any questions or want to talk through options. [Here](#) is my meeting link should you wish to set up a time to discuss the options.

Thank you so much for your time and consideration. Have a great week!
