Marcy Leonard

Hello S4SJ members! If your schedule allows, we are looking for some help with a couple projects on Wednesday, August 18 to prepare for the teachers return on the 19th. This includes putting stickers on welcome postcards to the Class of 2025 and organizing materials to distribute to teachers. If you have time to join us on Wednesday anytime 9am-12pm, we would love to have you! Service hours are available. Thank you!

Friends - I have one additional volunteer opportunity. The administrators from all around the county are coming to Wilde Lake for a meeting this Tuesday. We would like to have a gauntlet of students to cheer them into the building from 7:55-8:35am at the theater entrance. Are you available to come over at that time, wearing Wilde Lake gear? Feel free to bring cowbells and noisemakers 😊
