Wilde Lake OhanaHC Members,

On Thursday, **June 1, 2023**, we will have our **EOY Get Together** for OhanaHC at Wilde Lake HS (specific location TBD). The Get Together will occur right after school to maximize the attendance of the students. (School ends at 2:10.) Please do your best to join us. We'd appreciate you getting back to us to let us know if you'll be in attendance.

We will provide light refreshments. If anyone would like to help by planning one or two simple activities for mentors and mentees to do together, the help would be appreciated.

Thanks for all you do,  
Cheryl, Sharon, and Clarissa

Needs:

1] College and Career Exploration (addressing a root cause of students' not being able to envision their post-high school future)

Inputs:

- 1] HCPSS and WLHS/HaHS/OMHS Student Services staff
- 2] Howard Community College Admissions staff
- 3] Montgomery County College Fair staff
- 4 and 5] WLHS/HaHS/OMHS Student Services staff

Activities:

- 1] Hold one or a series of Naviance lessons with HCPSS/WLHS/HaHS/OMHS Student Services staff to teach mentees how to use the HCPSS College and Career online service for college and career exploration.
- 2] Arrange an HCC admissions presentation and tour on campus (WLHS ESOL students just did this as a field trip and it was well received).
- 3] Arrange for mentees to attend the Montgomery County College Fair (held in March) with their mentors (WLHS attended as a field trip with 50 juniors this year and it was well received).
- 4] Support the HaHS/WLHS/OMHS 9<sup>th</sup> Grade College and Career Fairs with mentors, Board members, and staff attending to speak with students about their careers and college experiences.
- 5] Support the HaHS/WLHS/OMHS 11<sup>th</sup> Grade Junior Interview days with mentors, Board members, and staff attending to conduct interviews with students.

Outputs:

- 1] Increase mentee awareness of post-secondary options and tools to research those options.
- 2] Create community connections with each of our participating schools beyond just the mentees by supporting the 9<sup>th</sup> and 11<sup>th</sup> grade World of Work experiences (College and Career Fair; Interview Day).

Outcomes:

- 1] Every OhanaHC mentee has an actionable plan at graduation for their post-secondary path.
- 2] Participating school communities have a broad understanding that OhanaHC is invested in the success of all students in the school beyond just the mentees.

Hello Marcy,

I hope you are doing well! As you know, our last program development board meeting is May 9<sup>th</sup> from 5 – 7. To make the most of this time together, it is vital that everyone watches the recording of the last office hours and completes the Logic Model for both pillars. Below is the link to the recording. Attached is the logic model for you to complete. Even if you were present or watched it already, a refresher is always helpful. If you are receiving this message it is because I have not received your updated Logic Model. Please submit your logic model to me no later than Sunday 6pm. We want to be able to jump right into the session on the 9<sup>th</sup>. Thanks for your understanding and embracing this process.

Hi All-

Here is a note about our friendly competition among the schools - feel free to send any or all of the below or create your own. The point is to try to rally the ranks to get more people to sign up!

**Reminder to Wilde Lake, Oakland Mills, and Hammond - your school competes to see who has the best showing in number of attendees for our 5K. Wilde Lake won last year and has had the trophy on display in one of their showcases all year. Will they win it again this year? They have a lot of passionate run/walkers there. But rumor has it that Hammond and Oakland Mills are really getting the sign ups. Will your school win the trophy this year? Sign-up and show up to our 5K!**

**Sign up or donate here:**

**Let me know if you have any questions-**
