Trent,

Thank you so much for the follow-up. I also enjoyed our conversation and hearing your feedback on our traffic pattern. Your understanding as I serve the school community means a lot and I appreciate your sincerity.

Cherilyn, I am so sorry! I didn't realize that Ken was taking our picture - I would never use your picture in any way without asking, and I wouldn't ask any teacher or other school staffer to endorse me. (Plus, I am not seeking any endorsements in this election.) I very much enjoyed and appreciated our conversation, and want to thank you for taking the time to talk with me. It gave me a much better understanding of what factors into the school transportation system. I have contacted Ken and requested that any photos of you be deleted from his phone, And again, my apologies.

Good afternoon,

We met briefly this morning during the arrival of students at Waverly ES. I am writing to follow-up regarding our interaction. At one point during our conversation, I noticed a person that was with you seemingly taking photos and/or videos of us standing and talking in the crosswalk, and again when we were talking with a bus driver. I am not sure of the purpose for any video

recording or photographs that were taken and therefore, I am writing to state that I do not give permission for any pictures or videos of me to be used for any campaign purposes or endorsements, whether that be on websites, social media pages, paraphernalia or any likeness thereof. As a school system employee, I am prohibited from endorsing any political candidate and would like to ensure that my image is not used in any way that would be perceived as such. It is preferable that any photos or recordings from this morning's interactions are removed from the devices.

Thank you in advance for your understanding and follow-through on this request.

Sincerely,

Cherilyn T. Brown, Principal

Good afternoon,

Thanks so much for your kind note. I would certainly be happy and interested in meeting with you to answer questions and to learn more about what you would want to accomplish if elected. I've copied Ms. Johnson to ask that she find some time for us in Mid-July to touch base. Talk soon.

Superintendent --

First, congratulations on your appointment as permanent Superintendent. The Board made a very wise choice. I would very much like to come in and spend some time talking with you about the Board. I've been watching the Board meetings since August and learning as much as I can. But there are so many things I don't know, and I would appreciate any information you think a potential board member should have and know.

Many thanks, and I look forward to meeting with you.

[REDACTED] If it is all right with the River Hill PTSA, I've asked Gail Bates to act as my stand-in for tonight. She is very familiar with my positions on issues. In addition I've given her a copy of answers I've written in questionnaires on various topics.

Thank you, and please convey my sincere regret to everyone that I cannot be there in person.

Good Afternoon,

Thank you for responding to our invite to introduce yourselves to our PTSA community at River Hill HS. Our plan is to conduct our normal business 7-7:30pm tomorrow evening and then focus on you all as our BOE candidates. All of you confirmed attendance so please plan on a brief introduction (~2min) to share who you are, why you are running and any focus areas you have should you be elected.

We will open the floor for questions from our members to you and vice versa. Our meeting is held in the Media Center.

Please let me know if you have any questions or need special accommodations.

Good Afternoon,

As the current PTSA president for River Hill HS I had a chance to attend the BOE candidate forum in March at Howard HS. As a follow up to this meeting I am extending an invitation to all of you to attend

our next PTSA meeting which is scheduled for Monday 4/8 at 7pm in the RHHS media center.

As agreed with our executive board we wanted to give you all a chance to briefly introduce yourself and learn about our organization and its impact and outreach within our community.

Please let me know if you will be able to attend so we can reserve the appropriate amount of time on our agenda.

Thank you,
