Re: Renewal; Contract #025.20.B5, Automated School Bus Stop Arm & Bus Safety Video-Monitoring System

Dear Vendor:

On February 14, 2025, a renewal letter was issued by HCPSS indicating to be the first renewal of the above mentioned contract. After reviewing the Contract Documents, it was determined that the renewal was unnecessary due to the official start date of the contract being the first issue date of a citation. After clarifying with local authorities the date of this citation, the original contract term will be April 1, 2021 to March 31, 2026. This and future renewals will be processed to reflect this date.

In accordance with the original terms and conditions of the above-mentioned contract, The Howard County Public School System has chosen to exercise a renewal option for an additional one-year period. This is the first renewal period for this contract. There are three (3) renewal options remaining. The Terms and Conditions of the contract remain the same.

The new contract term will be **April 1, 2026 to March 31, 2027**.

Jahantab Siddiqui is responsible for the day-to-day administration of this contract and can be reached at Jahantab_Siddiqui@hcpss.org or (410) 313-6680.

Please acknowledge acceptance of this renewal offer by signing at the bottom of this page and returning it to me by 02/04/2026.

If you have any questions regarding this letter, please contact me at craig_cook@hcpss.org.

Sincerely,

Craig Cook
